

"Electricity for Everything"

HEBER LIGHT & POWER PLANT,

OFFICE AND SALES ROOM NO. 3, WEST CENTER

Heber, Utah,

Dec. 3- To 72 ft. No. 14 Wire @ $1\frac{1}{2}\phi$ ----- \$ 1. 1

Meeting held in City Com room Dec 26, 19
to discuss Local Power Line Thos Pres
E. J. Lute John Miller J. M. E. L. Jones
J. M. Corral W. E. Kernes Arthur Byrnes
for Swain for argt L. C. Montgo
It was decided to take over the line
and charge the people of Heber with
the charge and 11 ¢ per K.W.H And if that
was not enough to raise not to make a
self maintaining This said line is
to be tried out for one year to
see how we would turn out

RECEIVED FOR RECORDS

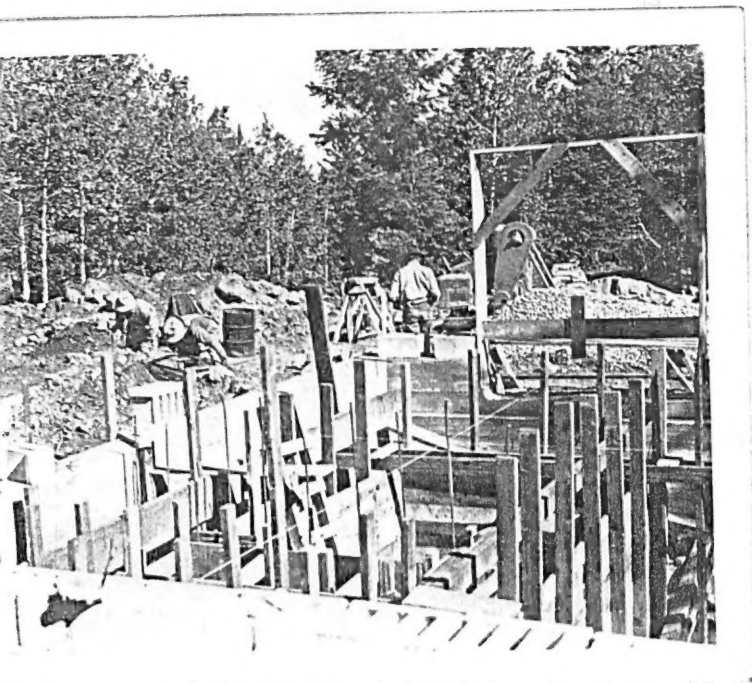

HEBER CITY MUNICIPAL CORPORATION

WATERWORKS DEPT OFFICE ROOM NO. 3 WEST CENTER

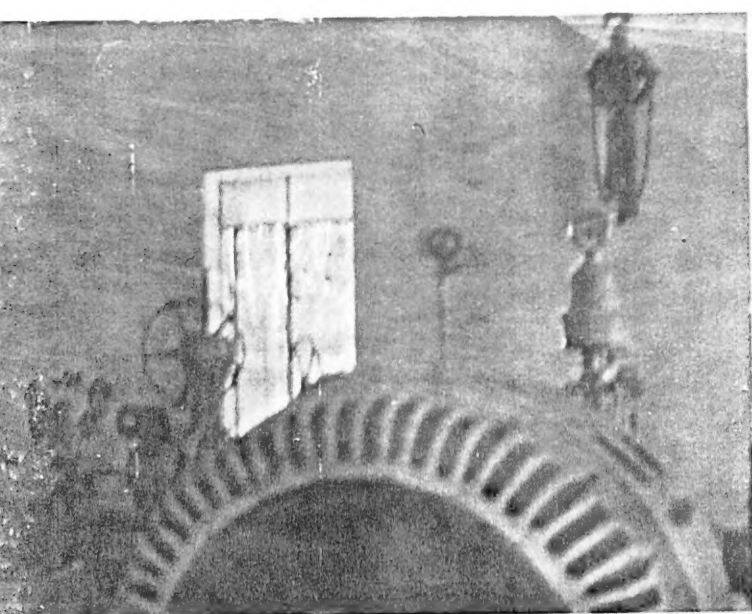

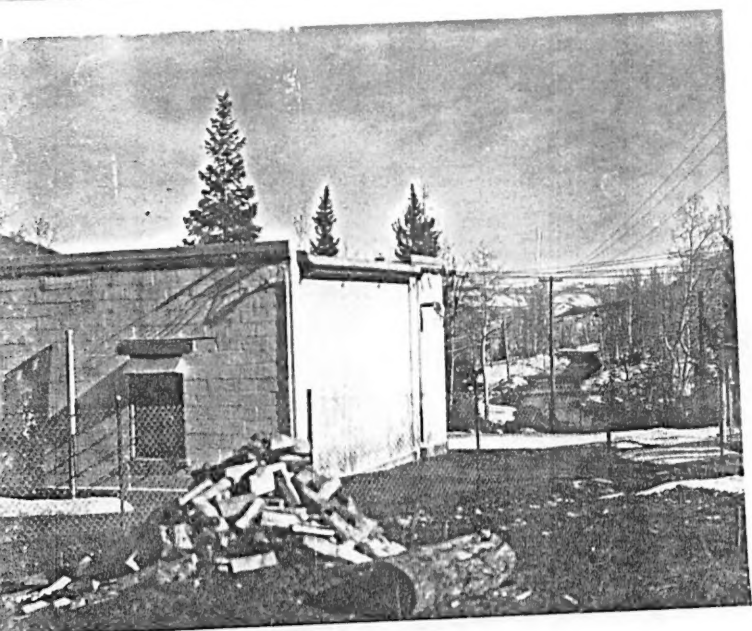

HEBER, UTAH.

10/24 - 1923

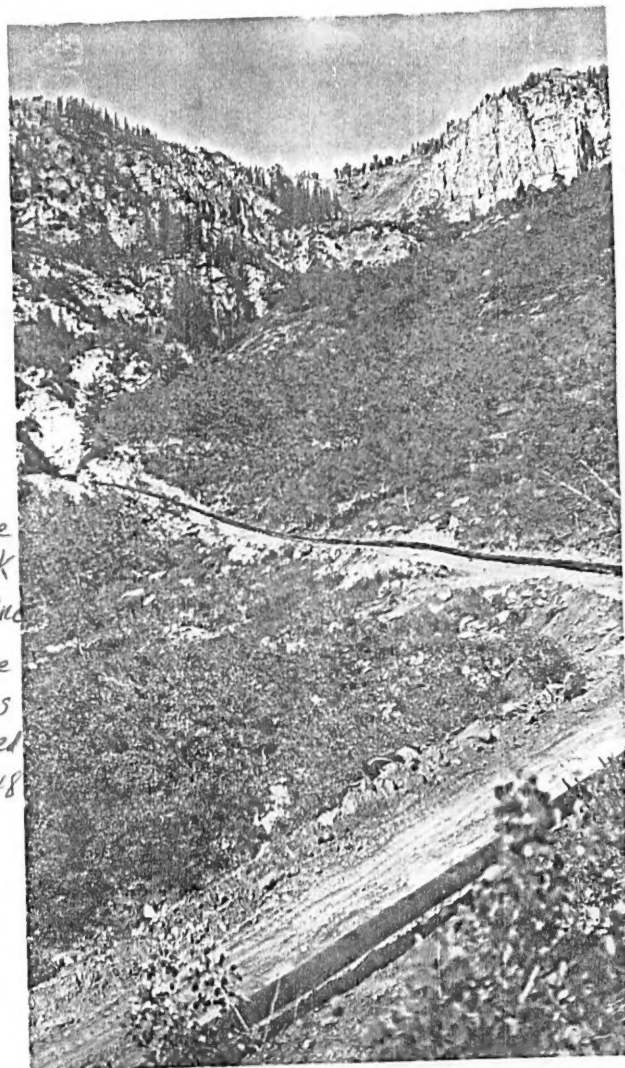

Minutes of meeting held in City Can. room to discuss running power line to Hamal and Center those present were E. J. Shube John H. Miller J. W. Siles James Rich John Corral Arthur Bjork J. S. McDonald Joe Argile Joe Swains S. Frank Ryan and Mr Plummer. It was decided that without help the Sup could give them that. Hamal and Center would pay what every was right in regards to his expenses while running back and forth. ^{Secondly by James Rich} It was moved by John H. Miller that the Heber Light and Power would extend the line to the city limits. And allow the People of Hamal and Center to connect on at that point also to take over and maintain said line if excepted by Sup that the People of Ham and Center would used 35 ft red Pine poles.
